### WELCOME

Welcome to the exciting world of **Fletcher Baseball**. We would like to take this time to thank you for considering our offer to participate in our impressive line-up of 2007 **Fletcher Baseball** Tournaments.

Here's a look into the background of **Fletcher Baseball**:

#### FOUNDER

**Fletcher Baseball** was founded in 2003 by Scott Fletcher, a 15 year veteran of Major League Baseball.

#### MISSION

**Fletcher Baseball Tournaments** are committed to providing each and every participant, whether they are a player, parent or fan with the best POSITIVE experience possible. While we are a young organization, we have already established an extremely high standard of excellence that has generated great team and fan loyalty that bodes well for continued growth in player, team, fan and sponsor participation.

#### CAMPS

**Fletcher Baseball Camps** are dedicated to providing the absolute best baseball instruction and vital knowledge necessary to build character and instill confidence within the student-athlete. Our goal is to help each player attain success and enhance their performance both on and off the field.

#### CAMP INSTRUCTION PHILOSOPHY

The **Fletcher Baseball** approach is to teach the correct fundamentals through hands-on individualized instruction, then show them how to perform the skill, then let them execute the task. In short, tell them how to do it, show them how to do it, and then let them do it. Finally, we place an emphasis on drills to reinforce the correct technique.

Thank you again for your consideration. If there is anything we can do to help make your experience a more enjoyable one, please bring it to our attention. Remember, we are here for YOU!!!

Sincerely,

**Scott Fletcher**  
*President*
